## GRE: Graduate Record Exam

The GRE is offered in two formats: computer-based and paper-based. The computer-based exam can be taken throughout the year, while the paper-based tests (both general and subject) are offered on specific dates (Please see reverse for dates and locations).

For information on the GRE, and to register, visit [www.ets.org/gre](http://www.ets.org/gre). Note: From August 1, 2011, only the computer-based GRE revised General Test will be offered in international locations where computer-based testing is offered.
